Pictured above are some of the youths with their trophies, medals and ribbons they won at the Junior Camp Track Meet. Despite the damp weather the youths seem to give a ray of sunshine to otherwise cloudy day.

One hundred and eighty seven boys competed for 202 awards at the Grayling Area Jaycees Jr. Camp Track Meet last day at the Grayling Athletic field. May 21 was not a perfect day for sports but an "enthusiastic" day was on hand never the less, as performance for the day by Rena Papendick, Rena the 60-yard dash, 100-yard dash, broad jump and captained a winning relay team in her division. Meet judges awarded her the Champ Trophy of Excellence this fine showing.

Due to the weather most records were washed out. When an effort was made to tabulate the score sets most were completely ruined.

Jaycee president Larry Gustad felt that he felt that the Jr. camp was a wonderful success. Considering the weather, 187 was a great turnout. In how many ways we would have liked the weather had been favorable.

My Fair Lady Proves Highly Successful

The production of "My Fair Lady" by the students of Grayling High School last Thursday, Friday and Saturday may be termed a solid success. Attendance was very good at all three performances, and on Friday and Saturday night Taylor were given a standing ovation for their weeks of effort. Over one thousand tickets were sold.

It was the consensus of all that the lead characters, Vicki Wells as Eliza Doolittle, Mike Worden as Henry Higgins, Pat Thompson as Freddie Eynford-Hill, Bill Kraus as Alfred P. Doolittle, Lynn Elsey as Mrs. Higgins, Doug Wilson as Colonel Pickering and Billie Bovee as Mrs. Eynford-Hill, did exceptionally fine jobs. However, this would not have been possible if it had not been for the efforts of all in any way concerned with the production.

The cast was given fine support throughout by the orchestra, composed of LeRoy Christian, Marlene Hoemke, Sandra Taylor, Casper Fradel, Pat Cox, Nancy Hoffman, Frances Beckwith, Greg Wert, Richard Holmes, Pat McCleery, Richard Curtis, Nancy Brown, Betty Kowalski, Susie Ingleson, Tim Larson, Jane Karjalainen, Craig Dandy, Joani McCutcheon, James Beckwith and Betty Karjalainen.

Create State's First Economic Development District On Friday

Lansing — Michigan's first economic development district, embracing 11 counties in the northwestern part of the Lower Peninsula, will be created next Friday by representatives of city and county governments, business, labor, industry and other economic segments of the area at a meeting in the Park Place Motor Inn, Traverse City.

Pictured above is Rena Papendick being given the Jr. Champ Trophy of Excellence by Grayling Area Jaycee president Larry Gust. Looking on is soon to be president Terry Wyers.

Plan Memorial Day Planting Bee

One o'clock on May 30th has been selected as the time to begin planting petunias as the Memorial Day parade will be over by then.

Enough workers are needed to plant from the bridge to Spike's and the Highwayman Restaurant to Day's Drive-In, the Jaycees will do the City Hall parking; Mrs. Kip Papendick's Patient Fingers group will plant the section between the city hall driveway and the river; St. Mary's Ladies Club is to plant the Clair Service Station area; the Twilight Twirlers the Tip Top Togs and Weaver's Gift Shop section; Marge Walker and Eva Strong the Grayling Botling area; Carolyn Rolfe and the 4-H group the Stark's and Shamrock space down to Mosher's; the Womans Club the parking lot area between Gould's and Shoemaker's; the Chamber members the library area; Ken Carlisle and the Boy Scouts the Cliff and Pure section; and the Legion Junior Girls the space between the library and the Legion.

Pete Latuszek has donated \$2 for petunias, Clare Melroy \$20, the Ausable Motel, Avalanche and Grayling Bottling Co. \$5 each and Burns Hardware, a flat. More donations are welcomed.

Mahlon Riker is again donating his time and truck to pick up the 200 flats of flowers in Bay City with Charles Fick donating the gas.

Girls from the Neighborhood Youth Corps are to do the weeding and keep up the flowers again this year. All we ask of you now is to help get them planted.

There are four more spots where we need help to plant besides the section set aside for the Community Memorial Day bee. If you can plant a small section, either as an individual or as a club, please call 348-9314 and let Mrs. Gould know that you can help.

ALSO TO GRADUATE

The name of Miss Christine Gidner daughter of Mr. and Mrs. Robert Gidner, should be included with the graduates whose pictures were not available, published in last week's paper. Also Miss Donna Hoffman daughter of Mr. and Mrs. Alfred Hoffman.

The district organization will consist of officers, an 11-man commission which will act as an executive committee to direct the full-time district staff to be established, and an 88-man council, representing the 11 counties.

The new organization is an outgrowth of the Economic Development Act of 1965, under which the federal government has provided funds to the Office of Economic Development.

The district organization will consist of officers, an 11-man commission which will act as an executive committee to direct the full-time district staff to be established, and an 88-man council, representing the 11 counties.

Sheriff Tells Of Marine Patrol

The Crawford County Sheriff's Department has announced the summer program of Marine Law Enforcement for Crawford County. This program will encompass law enforcement on Lake Michigan, the Main Stem AuSable, the South Branch AuSable, and the Upper Manistee River.

Full time Deputy Sheriffs will be on the canoeing trails of the county to enforce all State Statutes applicable. There will be strict enforcement of litter laws, trespass laws, laws relative to the reckless use of watercraft, and to guard against the malicious damaging of personal and state property. The deputies are well acquainted with the region and will be able to give information relative to picnic and camping grounds and landing and access points on the canoeing trails.

Sheriff Art Clough stated that Thursday, May 25th, there will be a free inspection of all watercraft by his deputies at the American Legion parking lot from 12:00 noon until 8:00 p. m. This inspection will cover safety equipment needed by all classes of boats. He also would like to inform all residents of Crawford County that their watercraft must have current boat registration numbers.

If any boat owners of the county have any question relative to Marine Law Enforcement laws, please call the Crawford County Sheriff's Department.

Construct Trail Rider's Camp

Over 50 members of the Michigan Trail Riders Association and several men from the Dept. of Conservation met at the Four Mile Trail Campsite and worked all day last Saturday to build a permanent camp for hikers and trail riders. This camp is located near the Corwin farm.

This Saturday, the same group will meet at the Goose Creek Campsite on the Manistee River to build another permanent camp. This will be, as is the Four Mile Camp, for overnight camping.

There will be about 12 camps along the 240 mile trail when all are completed. There were people from all over Michigan in the camps building group as well as a number from northern Ohio. Floyd Davis, riding-hiking trail reporter.

Crawford County Recreational Activities

Quality fishing sections of Main Stem AuSable, South Branch AuSable, and North Branch AuSable have excellent spring hatches of flies. Robert's Yellow Drake has been exceptionally good. Also good hatches of Stone Flies beginning about 1:00 p. m. and lasting all afternoon. Stream temperatures are rising and all streams are normal. Manistee River, East Branch, and Big Creek have been producing good catches of trout for spincasters and bait fishermen.

Trout lakes in Crawford County are still furnishing sport for the fishermen.

Mushroom weather is here, and mushroom hunters have been picking fair amounts of morels.

First wild flowers are appearing in our woods with Dutchman's Breeches and violets making their first appearances.

Canoing trails in Crawford County are open, and bring in insect repellents and sun tan lotion for enjoyable trips on our miles of canoeing water.

Fifty Attend Leadership Annual Dinner

Fifty persons attended the first annual Leadership Dinner sponsored by the Grayling Regional Chamber of Commerce and held at the Chief Shoppenagons Motor Hotel on Thursday evening of last week.

Mrs. Earl Longworth gave the invocation.

Chamber Manager Earl Longworth opened the program following the banquet dinner. After a few remarks, he introduced the Chamber president, William Kraus and Mrs. James Forbes, a member of the Chamber's board of directors and chairman of the Leadership Dinner. Mrs. Forbes spoke briefly welcoming those in attendance and then turned the program back to Manager Longworth.

The Chamber Manager introduced the speaker of the evening, Harry R. Lipson, the general manager of the Paul Bunyan television net work.

Mr. Lipson took as the topic of his talk Elbert Hubbard's "Message to Garcia." He said that the attributes lauded in the article are as needed today as they were at that time. He also pointed out that the business world looks for that type of person who personifies leadership, integrity and the will to get things done.

Chamber manager Longworth closed the meeting with a few final remarks and a couple of humorous stories.

Your Chamber wishes to express sincere thanks for your time and effort in attending and inasmuch as this was a "first" has planned for a more enjoyable and productive get-together for next year.

14th Annual Michigan Week Being Observed

The 14th annual Michigan Week May 21-27 is the climax of year long educational and promotion activities by thousands of volunteers selling Michigan to itself and to the world.

With the addition of Community Pride Day this year, the week now has eight days during which communities of every size in all 83 counties will carry forward programs celebrating the greatness of Michigan and their own particular regions.

The observance, which is intended to involve all of the state's eight million residents, is designed to echo around the globe, giving repeated proof of the Michigan Week theme: "Michigan—Dynamic in World Progress."

At the head of it all as general chairman of Michigan Week is Dr. Edgar L. Harden, president of Northern Michigan University, Marquette, who has long been in See Michigan Week on Page 8

Frederic Pair Fined On Larceny Charge

Larry Love and Gary Gugin, both of Frederic, were fined \$50 and assessed costs of \$15 on Monday by Justice of the Peace Olin Williamson. Both men had entered guilty pleas to a charge of petty larceny.

They were arrested on the charge by the Crawford County Sheriff's Department. Both paid their fine and costs.

The Sheriff's department also reported that one of the skin divers working on the AuSable River cleanup over the weekend was injured in an accident. Robin Derderian, 25, of Union Lake, was struck on the head by a canoe as he surfaced.

The accident occurred just up river from Louie's Landing at about 10:40 a. m. Derderian was taken to Grayling Mercy Hospital where he was treated for concussion and released. The canoe which struck the diver carried four girls who stated they did not see the man until he rose to the surface directly in front of the craft.

Bud King Elected S. W. C. D. Chief

By Willard Bossmerman Co. Ext. Natural Resource Agent

Houghton King Jr. (Bud) was elected Chairman for the Crawford-Roscommon Soil and Water Conservation District Tuesday, May 9. Stanley Hummel, Frederic, was elected Vice Chairman and LeRoy Wahl, St. Helen, was elected Treasurer. Willard Bossmerman was appointed secretary by the board of directors.

May 9 was the first meeting of the board of directors of the Soil and water Conservation District. Russell Hill, Executive Secretary of the State Soil Conservation Committee was present to outline the steps to get a program of work written and to obtain a technician to serve the district.

Dean Gordon, Area Conservationist, Cheboygan and Kenneth McManus, Assistant State Conservationist, Lansing were also present at the first meeting.

A certificate of organization was received from Secretary of State, James M. Hare on May 16.

The Chamber office has issued a warning to local residents to beware of what is felt to be spurious phone calls concerning magazine subscriptions.

To Start from Legion at 10 a. m.

Parade Marshal Arthur Thayer says the Memorial Day parade will start from the American Legion home at 10 a. m. on May 30. All groups participating are requested to be there by 9:30 a. m.

Any group not yet contacted that wishes to take part in the parade is asked to contact Mr. Thayer. The parade route will be as usual, from the Legion to the AuSable River Bridge on Cedar Street where services for deceased naval veterans will be conducted. From the bridge the parade will proceed up Cedar Street to McClellan and on out to the cemetery, where services there will be conducted at approximately 10:30 a. m., with Elder Norval Stephan of the Reorganized Church of Christ, Latter Day Saints giving the address. The parade will then come down Plum Street to Michigan Avenue, down Michigan to Peninsular and there turn left to Ionia Street, then right and return to Cedar Street and back to the Legion Hall.

Units indicating they will take part in the parade are the American Legion Post and Auxiliary Unit 106, the Junior Auxiliary, the Veterans of Foreign Wars, the Camp Grayling Michigan National Guard, the Naval Reserve Surface Division 9-167 of Cadillac, the Grayling Trail Riders, the high school senior and junior bands, the Twilight Twirlers, and the Boy Scouts.

There will again be a children's decorated bicycle contest. To be eligible children must form at the Legion and ride in their assigned position in the parade to the cemetery and back to the Legion, where judging will take place.

STARTS JUNE 1st

The Food Stamp Program In Crawford County

Do you have a low income? Are you now receiving public assistance grants?

If so, you may be eligible to buy more and better foods with the same amount of money you are now spending for groceries. This will be made possible under the Food Stamp Program which will go into operation in Crawford County on June 1, 1967.

The program will operate through the efforts of the Michigan Department of Social Services and the Crawford County Department of Social Services.

Grayling 4th In Loop Meet

The Grayling High track team took a fourth place in the Conference Meet of the Northern Class C Conference held Monday, May 15th at Charlevoix. The Raiders won their 28th loop meet with a total of 64 1/2 points with Boyne City with 56 1/2, Mancelona third with 59 1/2, Grayling 24, Gaylord 21 with Fellsell, East Jordan and Harbor Springs trailing behind.

Dave Bailey won the 220 yard dash with a time of 22.9 seconds for the Vikings' lone first place. Ken Holzschu of Boyne City won the 100 yard dash over Bailey in the time of 10.6. Bailey holds the Grayling record in the distant at 10.3 but was not able to come up with that time Monday.

Although Bailey's time of 22.7 seconds for the 220 was not a conference record, it did set a new Grayling High mark. Others scoring points for the Vikings were: Englund a third in the shot put, LaGuire a tie for fourth in the 440 yard dash; Stephenson a fourth in the 440, Lowe a fifth in the long jump, Berry a fifth in the 180 yard hurdles and Stephenson a fifth in the 220 yard dash. Grayling's mile relay team finished in fifth as well.

Girl Scout Troop Planned

Mrs. Shirley Rauch reports that a good response has been received from the girls of the community to the suggestion that a Girl Scout Troop be organized in Grayling. The need is evident and the interest on the part of the girls indicates that a troop is to be desired.

Mrs. Shawn Christiansen, Neighborhood Chairman for the Big Waters Council, has been invited to come to Grayling to explain Scouting and the mechanics of organizing a troop. She will be at the Grayling Elementary School on Thursday evening, May 25, at 7:30 p. m. All interested girls and their parents are invited to this meeting. Girls entering the second and third grades are eligible for Brownie Scouts; 5th, 6th and 7th grades the Junior Scouts and 7th, 8th and 9th grades, the Cadet Scouts.

A film telling the Girl Scout story will be shown and Mrs. Christiansen will be prepared to answer your questions.

Little League Opens Sunday

"Take me out to the ball game, take me out to the Park." The Little League season starts this Sunday, May 27. A parade starting in the downtown area and going down Michigan Avenue, will end up at Millikin Little League Field.

There will be a double header with the American Legion against Moose, and Sorensons against Military. The boys have been practicing for three weeks and promise to give some exciting baseball. There are games scheduled for next Wednesday and Thursday with these same clubs competing. See you Sunday.

WARNING

The Army and Air National Guard will be doing air to ground bombing in the Artillery Range north of County Rd. 612 and south of the North Branch of the AuSable River, each Thursday thru Sunday until May 20th. All persons are warned to stay out of this area. 4-11-67

BRIDE-TO-BE HONORED
Mrs. Clement Blaine and Mrs. Wilhelm Raae were hostesses at a bridal shower at the home of the latter, on Wednesday evening, May 17th, to honor their niece, Miss Karen Marie Hanson, whose forthcoming marriage to Mr. Robert J. Munn will take place in June.

In games that were held, prizes were won by Mrs. Dale Redman and Mrs. Casper Lozen. The guests also provided a favorite recipe for the bride-to-be.

Dainty refreshments were served from a buffet table centered with a crystal basket holding yellow and white flowers, and guarded by blue candles in crystal holders.

Karen was assisted in opening her many lovely gifts by her aunt, Mrs. J. Land Smock.

MERCY HOSPITAL OBSERVES NATIONAL HOSPITAL WEEK

Pictured above and at the right are two of the many displays used at Grayling Mercy Hospital to observe National Hospital Week earlier this month. Among the displays and demonstrations carried out at Mercy Hospital during the week of May 7 to 13 were on:

May 9 & 11 — from 11 a. m. to 3 p. m. Displays and demonstrations of orthopedic equipment, floor and vacuum cleaning equipment, operating room table, retractable electric bed, O.B. & O. R. disposable packs and items, I.B.M. Magnetic Tape Typewriter, and Dry Copier.

May 10 — Live dog demonstration of Cardiac Defibrillation given for any employee who wished to attend.

A model and drawings of the proposed Nursing Home were on display in the cases near the front of the hospital.

Pamphlet racks, with literature on Medicare and hospital careers were available in the front lobby.

A model of the hospital, with each of its departments portrayed, was set up on the first floor.

BRIDAL SHOWER HELD

Miss Patty Rohde was honored with a bridal shower given May 11th by Miss Jill Harwood at the Harwood home. Guests numbered about fourteen. Mrs. John Lehr and Miss Patty were winners of the prizes given for the evening's entertainment. Then the bride-elect, who will be married June 3rd to Thomas Dunham, opened her gifts with assistance from her hostess.

Refreshments of coffee, cake and salad were enjoyed by all.

Chamber of Commerce Minutes

Regular meeting Grayling Regional Chamber of Commerce, Wharf's Dinner Bell Inn, May 11, 1967.

The meeting was called to order at 1:05 p. m. by President Bill Kraus.

Members present: Gerry Burns, Ray Elsey, Billie Forbes, Bill Kraus, John Latuszek, and Don Welser.

Members absent: Bernard Fowler, Major Ed Rutkowski, and Sandy Thompson.

Also present: Earl "Chum" Longworth, Manager.

Motion by Ray Elsey, second by Gerry Burns, that the minutes of the last regular meeting be approved as printed. All Ayes.

Communications: Manager Longworth read a letter from the Michigan Travel Trailer Club informing us of their plans to hold their rally at Bear Mountain the weekend of July 28. Although this is the same weekend as the Old Car Club tour, it is believed the two groups would be compatible and arrangements can be made.

Reports of Officers: A treasurer's report was given by Treasurer Billie Forbes and a discussion on the Chamber finances followed.

It was agreed that a special meeting should be set up to discuss finances. This meeting is to take place Monday, May 15, at 7:30 p. m. in the Chamber office.

Motion by Don Welser, second by Bill Kraus, that the treasurer's report be accepted and the bills to the Avalanche and General Telephone Company be paid. All Ayes.

Mr. Longworth told the Board of his trip to Frankfurt to speak to their Chamber of Commerce on May 9.

The Board was informed that publicity for the Kiwanis and Grayling Woman's Club Trade Show had been sent out to all area newspapers, radio, and TV news media. The Sawyer canoe is to be picked up by Gerry Burns for the Trade Show. The Chamber exhibit is ready and a backdrop painted by a student of the Grayling High School Art Class is finished.

Leadership Appreciation Dinner: Billie Forbes said final plans are under way and this should prove to be an enjoyable evening.

Skin Diver's AuSable River Cleanup: Chum Longworth reported that everything is set for the cleanup. Some of the divers will be housed in the Elementary School Saturday night. The Kiwanis Club will prepare a free Chicken Bar-B-Que at the Sportsmen's Club for those who actually participate in the cleanup on Sunday. The cost of this dinner will be shared by the sportsmen's club, the Canoe Livery Association, and the AuSable River Property Owners Association.

Mr. Longworth called the Board's attention to the fine article on the Michigan National Guard in the last issue of the Northwest Call.

Manager Longworth informed the Board of the E.M.T.A. meeting held in Roscommon on Travel Shows. He attended this meeting along with Alan Barkley, owner of Little Smokey Railroad.

Billie Forbes advised the Board of a call she had from Sister Janice, the Administrator of the Grayling Mercy Hospital, asking for Chamber support for the City of Grayling sewer expansion. Mr. Longworth informed the Board of Mr. Cliff and Mr. Sorenson's trip to Lansing on this matter. They met with F.H.A. and E.D.A. concerning the application that had previously been submitted last summer but had not been acted upon because of reasons beyond the control of the City of Grayling.

Motion by Don Welser, second by John Latuszek, that this meeting be adjourned at 1:20 p. m.

Next meeting to be held May 25, 1967.

What Judd Arnett Thinks

Judd Arnett, columnist, writing in the Sunday, May 14th edition of the Detroit Free Press, called attention to an upcoming convocation of civic leaders (Michigan Assembly) to be held on the Dearborn campus of the University of Michigan.

It is the intent of these good people to ponder the possible problems of Michigan in the years to come. In our judgment, Judd made some sage observations. We quote:

"All right . . . Since we aren't invited, the great lot of us, to attend these sessions as 'present-or-future leaders,' let's hold a rump conference, so to speak, and outline some of the problems of the next decade as we see them."

If I may have the floor, Mr. Speaker, I will use it to declare that the gravest problem facing Michigan is education. Not the cost of education, Mr. Speaker, I hasten to interject, since most of us are resigned to shouldering that load, but the form of it.

Yes, sir, the form of it. The direction it is to take, the emphasis it is to feature, the goals it will have in mind. In other words, Mr. Speaker, will education change to meet the needs it is now largely ignoring?

The trouble with education, Mr. Speaker, is that it is now in the control of those who have insulated their minds against the realities of the Twentieth Century.

This is why — while we are producing between eight and nine million new automobiles each year — it is becoming more and more difficult to find a young man trained in the repair of one of them.

It is why, too, Mr. Speaker, it is easier to summon a physician to your home than it is a plumber or an electrician, and it is why, if you have a lick of sense, you will be kinder to your garbage collector than to your lawyer.

This is an industrial society, Mr. Speaker, with an educational system largely out of step with the requirements of common survival, and unless something is done about it — unless new dignity and incentive are invested in vocational training — life is going to become more and more chaotic for more and more people.

I thank you, Mr. Speaker, and return you now to "The Michigan Assembly," in convention forthcoming.

Hopefully the Kirtland Community College may alleviate some of these problems.

Encouraging Example . . .

You are a taxpayer if you are still walking around, it doesn't make much difference what your politics or the color of your hair. If you have departed this life, the lawyers and the tax collectors will be checking to see what may still be taken out of your hide. Therefore, it is interesting to see the Governor of California trying to bring the spending of the state in balance with its income and reduce its mountainous deficit. Generally, a candidate forgets campaign promises of economy after he has snared enough votes to be elected office.

Citizens are largely to blame for public extravagance, as they overlook the fact that they will have to pay in taxes for every public gift for which they clamor. Governor Reagan has chosen a rocky road because of increased taxes and reduced spending are bitter medicine for many people.

Conscientious public officials have an uphill fight for economy. It is heartening, however, to see a Governor with the stamina to make a fight for restraint in public spending and a balance between income and outgo.

Burglar's Ethics

Head of state, Nasser of Egypt has provided an instructive lesson on the morals of government. According to news releases, he has informed the world that he would repay no loans to those who would not make new loans to Egypt. His threat directed primarily at the U. S. In case you are tempted to try Nasser's strategy on your local department store, it might pay to consider a word of advice — don't! When it comes to trading away with "heads, I win — tails, you lose" chicanery, private citizens are not in the same league with governments whose officials can write the rules to fit the game. Nasser's actions illustrate why a government's limited powers is best.

INTERESTING ITEMS OF NEWS GATHERED FROM THE
FILES OF THE AVALANCHE OF 23 YEARS AGO

May 25, 1944

The latest entrant in the Grayling business circles is Bennett Markmann, until recently of St. Louis, Mo. He is opening a radio repair shop in the former Hubbell Hobby Shop building, the property of Mrs. Schmitt, located at the southwest corner of Michigan Avenue and Spruce St. Mr. Markmann states that he worked in RCA distribution and is a graduate of the Army Radio School at Scottville, Ill.; he is a radio operator and mechanic. He was among a detachment of 30 young men from Alpena airport who came to Grayling in April 1943 and serve at the Grayling Airport for 30 days.

Last Thursday night at about 11 o'clock the house owned by Mrs. Nels Corwin and occupied by Mrs. Frank Malloy, located at the corner of Spruce and Lake Sts. caught fire, and the alarm was sent in. The Grayling fire department quickly responded, and soon had the flames under control and out. Damage was estimated at \$200. Mrs. Malloy's son and wife built a fire to warm the house, which had been closed for some time. While waiting for the house to heat up they left to get lunch. The fire originated in the attic and is attributed to a defective flue.

Donald Leonard, Director of Civilian Defense, announces a plan for heralding to the county the news of the European invasion when it comes. The day to be officially observed as D-Day will be designated by the Governor to guard against premature observances based on false invasion reports and to provide for simultaneous one-minute pause. The day will be chosen immediately when it is authentic that the invasion is under way. At a time designed in the Governor's message air raid sirens, factory whistles, church bells and other audible signals are to be sounded for 90 seconds. This is to be followed by a cessation of all activities for one minute, which is to be given over in a silent prayer. Traffic is to come to a halt and activities cease in stores, factories, schools and elsewhere.

Mrs. Frank Bond and Mrs. Harold McNeven were hostesses at a lovely luncheon at the home of Mrs. Bond Saturday afternoon. The season's blooms, apple blossoms, daffodils, tulips and jonquils were arranged throughout the room as well as on the small tables on which luncheon was served. Six tables of contract were in play during the afternoon, with honor awards going to Mrs. Robert Hayes and Mrs. Glenn Penrod. Mrs. Charles Dobler of Sterling visited Mr. and Mrs. F. A. Davis Saturday and Sunday. Connie returned home after spending the weekend with her grandmother Mrs. Dobler.

The children and teacher of the Richardson School in South Branch were pleasantly surprised Tuesday afternoon when Mrs. Babcock invited them over to her home and treated them to ice cream and cake.

Nearly everyone has something he or she can do better than anyone else. When it comes to selling poppies, Mrs. Alfred Hanson is IT in that job. She takes any amount offered but you can bet there's a lot of foldin' money in her cash box when she gets through.

First among the State Troops to train at Camp Grayling this season was the Second Battalion of the 31st regiment. An advance detachment arrived Friday afternoon and early Saturday the remainder of the 300 officers and men arrived. Activities included bayonet practice and range training with .45 calibre machine guns and .30 calibre rifles. Gov. Harry F. Kelly and Brig. General Thomas Collins inspected the camp during the presence of the troops. Other battalions of the State Troops will train here during the summer, coming each weekend.

Coach Cornell's classy baseball nine trounced Mancelona High team last Tuesday afternoon on the local diamond 14 to 0, thus capturing the Southern Division championship of the Northern Michigan Class "C" conference. This Friday Grayling will journey to East Jordan to meet the Northern Division winners, East Jordan High. The team played superb ball to wallop Mancelona Tuesday. Masterful no-hit pitching by Sandy Thompson and sparked at the plate by the stick-work of catcher Clyde Anthony, who hit safely on all four trips to the plate, spelled doom for the Antrim County lads. In all Grayling collected 15 hits off the two Mancelona twirlers. Thompson received gilt-edge support from his teammates, who did not make an error all afternoon. This was the second no-hit game this season by Sandy. Grayling has won three games and lost three, and if the locals win at East Jordan it will give them the Northern trophy and place them above the .500 mark.

Mr. and Mrs. Neil Mathews spent Monday in Rose City and West Branch. Mrs. Stanley Stealy, Mrs. Roy Milnes and Mrs. Harold Throop spent Tuesday in Traverse City. Clark E. Ferguson of Ann Arbor left Wednesday after spending a few days at his cottage on Big Creek.

Mrs. Bertha Davis of Fowlerville is spending two weeks with her son and wife, Mr. and Mrs. F. A. Davis. Miss Arbutus Glover of Wolverine spent the weekend with Miss Lois Berry. While here she attended the Junior Prom.

Miss Thelma Papendick of Lansing spent the weekend with her parents, Mr. and Mrs. John Papendick. Miss Ruth Kernosky left for Detroit and will remain there a week the guest of Mrs. William LeVall. Mr. and Mrs. Arthur Fennell and Mrs. Lillian Fennell of Detroit visited Mr. and Mrs. Lloyd Perry over the weekend. Al Hermann and a friend of Grand Rapids fished Saturday and Sunday in the Manistee, both returning with the limit of trout — 60!

Mr. and Mrs. Bartlund Eldred and sons John and Jerome of Detroit spent the week visiting the latter's parents, Mr. and Mrs. John Brady.

Mrs. Robert LaMotte and daughter Kay Ann left for Detroit Monday night to visit Mrs. LaMotte's parents, Mr. and Mrs. James Cariveau, and her brother Francis who is home from California on furlough.

Mrs. Sam Stevenson of Grand Rapids visited her son Allan here during the weekend, and left for

May 30th
MEMORIAL DAY

Gaylord to visit her husband for a few days.

Miss Beverly Schaible of Lansing and Cpl. Bill Kinkert of Indiana were weekend guests of the former's parents, Mr. and Mrs. George Schaible.

Mrs. Richard Lovely, Mrs. Liland Smock, Mrs. Carl Nielson, Mrs. Harold Rasmussen and Mrs. Adolph Peterson drove to Boyne City Tuesday of last week to attend a district meeting of the National Council of Catholic Women.

Grayling Kiwanis had one of their enjoyable occasions Wednesday evening when they were hosts to about 40 school boys and girls at a wiener roast at the City Park. Harold Throop was chairman of the committee and saw to it that nothing was lacking in providing all a good time. Over thirty pounds of winners and 12 dozen long rolls, all buttered up with plenty of good mustard and pickles and winners hot and tasty, made the menu par excellence. For entertainment, Pat and Ella's three-piece orchestra furnished music; the youngsters, with dukes covered, put on some good boxing contests. To cap the program, Dr. VanVleck and Mr. Ogg of Lake Margrethe gave interesting talks on Mexico.

The Grottos are due to arrive in Grayling from Bay City on Saturday at 6:30. They will come by special train. They will go to the Military Reservation where they will spend three days on a picnic outing.

Miss Anna Peterson who is attending Ferris Institute at Big

Rapids, underwent an operation for appendicitis at a hospital in that city Tuesday. Her sister, Mrs. Lena Pond, left Monday to be with her.

Mrs. J. H. McKone and Mrs. Edna Miller spent a few days in Petoskey last week.

A. J. Nelson has been in Detroit and Bay City, buying cattle for the R. Hanson ranch, located near Bay City.

Mr. and Mrs. William Powell are at their summer home at Lake Margrethe, arriving Wednesday. They are always welcome summer guests in Grayling.

Fathers George and Peter Esper, brothers, of Detroit, are erecting an \$8,000 cottage on the main stream of the AuSable near the Father Savage cottage.

Amos Hoesli, son of Mr. and Mrs. Chris Hoesli, received a bad cut in his head Tuesday when one of the swings at the schoolyard flew back and hit him.

The Charles Corwin home in Cheney burned down Thursday night of last week at about 1 o'clock a. m. The family dog aroused the children who were asleep upstairs. The parents rescued the children and succeeded in saving a few pieces of furniture. For the present the family is living in the Charles Richardson house in Cheney.

Mrs. T. P. Peterson and Mrs. Sigwald Hanson attended the May Festival in Ann Arbor last week.

May we suggest an evening of superb entertainment?

FORMER LOVELLS MAN AT INDY "500"

The Indianapolis "500" auto race is home for former Lovells resident Roy Scott, during the qualifying time trials for the Memorial Day race.

Scott, 68, is a member of the "500" Old Timer's Club, and has rarely missed the time trials in over 30 years. It is just as rare to find him at the big race on Memorial Day. He feels that there is more excitement during the qualifying attempts because the drivers are pushing their cars to the limit for only 10 miles, rather than having to save the machines for 500 miles.

Scott owned and entered two cars in the big race during the Depression years, neither having much success.

The second entry, the 1934 Scott Special, was driven by George Bailey, a test driver for the old Packard Motor Co., and was demolished in a crash after 12 laps.

Scott once owned blueprints for the famous, but now outmoded Offenhauser engines that dominated the "500" for nearly 20 years. He produced eight of the four-cylinder engines, but used them to power midget racers that he owns, rather than the big Indianapolis type roadsters.

Scott formerly owned and operated a tavern in Lovells. He and his wife, Marie, moved to Vero Beach, Florida after he retired in 1949 years, neither having much success.

When you look for the most room
and the smoothest ride and the best value,
you'll end up with a
Chevrolet wagon everytime.

Top left: Chevy II Nova Station Wagon. Foreground: Chevrolet Impala Station Wagon. Top right: Chevelle Malibu Station Wagon.

Chevrolet Impala, roomiest in its class. While extra roominess is perhaps the best reason for buying a Chevrolet wagon, consider, also, these bonuses: Body by Fisher, Chevrolet dependability, flush-and-dry rocker panels and Magic-Mirror finish. Chevelle Malibu, smoother, quieter ride. A Malibu not only gives you a Full Coil suspension ride, but the body mountings are double-cushioned. And Chevelle carries plenty. It opens wide, 54.6 inches, to be exact, 28.5 inches high. Flip the second seat down and you've got 86 cubic feet of cargo space for all your gear. Chevelle was built to take a lot. Chevy II Nova, best equipped for the money. All-vinyl upholstery is standard. Flush-and-dry rocker panels that clean themselves are standard. Separate panels beneath each fender to inhibit rust are standard.

Mono-Plate rear suspension to smooth the ride is standard. Price? Below standard.

M.E.A. Region 14 Council In Session

The regular monthly meeting of the M.E.A. Region 14 Council was held in Gaylord on Wednesday, May 17, 1967. The Executive Board met at 5:00 p. m. for its final session. Year-end reports from the officers were given. A number of suggestions were made for next year. A special Regional Council meeting will be held for the various regional chairmen in order to discuss guidelines for the work of their committees next year. It was suggested that the local chapter members be kept informed on educational legislation by duplicating copies of the legislative bulletins that are sent out from Lansing. Summer meetings of the M.E.A. Region 14 Council were also discussed. Following the Executive Board session, dinner was held at Schlans Restaurant.

At 7:00 p. m. the full Region 14 Council was called to order with 36 delegates present. Minutes of the April meeting were read and approved. The Treasurer's report showed a year-end balance of \$650. The President then turned the meeting over to the new officers for 1967-68. Officers for Region 14 are as follows: President: Ed Chamberlain of Petoskey; 1st Vice President: Ann Moore of East Jordan; 2nd Vice President: Ron Jensen of Harrisville; Secretary: Ruth Blanchard of Petoskey; and Treasurer: Nancy Anderson of East Jordan.

The first item of business was a discussion of the Fall Regional Conference which will be held in Petoskey the first week of October, 1967. Delegates were then reminded that the list of chapter and district officers must be sent in to M.E.A. Field Representative Maurine Wyatt at Traverse City before May 31, 1967.

A motion was made and passed to send a telegram to Representative Joseph Swallow of Alpena stating that the teachers of Region 14 unanimously oppose his position on House Bill 3254. A motion was also passed stating that Region 14 supports fiscal reform and House Bill 2970 on school aid.

The next item of business was a report by Max Novak of Charlevoix, a member of the State Board of Directors of the M. E. A. His report included the following: 1) Professor Gene Duckworth of Delta College has been elected as President of the state M.E.A. and will take office on July 1, 1968; 2) That Lucille MacArthur of Cheboygan had been re-elected as State M.E.A. Director; 3) That the motion to reappoint the 18 M.E.A. Regions in Michigan had lost (this motion would have eliminated two-thirds of northern Michigan's representation on the State Board of Directors); 4) M.E.A. dues have been increased by \$6.00 and will be \$42.00 starting July 1st; 5) That Unified Professional dues have been voted in for the State of Michigan.

(This means that one can not be a member of the M.E.A. without also belonging to the N.E.A.) That Clifford Buckmaster of Petoskey and Max Novak of Charlevoix had appeared before both members of the Senate the State Legislative Assembly in Lansing on behalf of fiscal reform.

The next report was by N.E.A. Delegate Myrtle Gehrk of Alpena. She encouraged members to attend the N.E.A.-M.E.A. banquet to be held in Petoskey during the Fall Regional Conference in October. She also mentioned that she would be in Lansing on May 20th for a caucus of delegates attending the N.E.A. Convention in Minneapolis this coming July.

N.E.A. State Director Lucille MacArthur of Cheboygan reported on the step Michigan teachers have taken in voting for unified professional dues. Dues will now be \$2.00 for M.E.A. and \$10.00 for N.E.A. plus the local chapter dues. Life N.E.A. memberships are \$225 until July 1st. Local chapters will be reimbursed for loss of membership for a period of three years, due to unification of dues.

Bonnie Benghauser, Chairman of the Regional Resolutions Committee, reported that the Representative Assembly had voted down a motion to permit members to belong to both the M.E.A. and a union.

Carl Skornia of Boyne City, Chairman of the Professional Negotiations Committee, reported that another Regional Professional Negotiations Workshop will be held at Indian River on June 5, at 7:00 p. m. All school districts in Region 14 were urged to have delegates present.

It was reported that the Student N. E. A. is urging its members who will graduate in June not to sign teaching contracts for less than a beginning base salary of \$6,000. Several state universities are also urging their June graduates not to sign for less than \$6,000. The wife of one superintendent reported that prospective teachers are returning contracts that offer less than \$6,000 for a beginning salary. One delegate also reported that the City of Petoskey could expect to pay a city engineer just out of college, without experience, a starting salary of \$8700. A member of the Charlevoix City Council reported that Charlevoix had just increased city employee salaries by 15%. A discussion followed on the need to raise the salaries of teachers in Region 14.

M.E.A. Field Representative Maurine Wyatt of Traverse City then reported on the status of membership in the state organization. She reminded delegates that the annual Presidents' Conference is scheduled for June 1-2 at Boyne Mountain Lodge, Boyne Falls. She also stated that the M.E.A. Conference Center at Battle Creek will be open in September. At that time group bookings will be accepted. Eating facilities are available for 400 and sleeping facilities for 100. She mentioned that the Community College tenure bill had been defeated. The M.E.A. position on the new proposed Teachers' Certification Code was presented. The M.E.A. opposes 90 day teaching permits and advocates an additional 30 semester hours beyond the B.A. degree for permanent certification.

The final items of business were the presentation of the 1967-68 calendar and budget. The proposed calendar was accepted. Delegates then voted in favor of a revised budget of \$1395 for 1967-68. The Region 14 Council adjourned at 10:30 p. m.

CARD OF THANKS

We, the cast and student director of "My Fair Lady," wish to take this opportunity to extend a few words of thanks. First of all to the shop, art, and home economics departments of the high school for the time and effort which they contributed to our production. Most of all we wish to acknowledge our sincere thanks to the one person without whom the whole thing would never have worked, let alone have been the huge success which it was. Thank you, Mr. Taylor,

Moose Lodge Activities

Committee chairmen for the coming year were appointed recently by Gov. Wayne Reeves. Those appointed: Membership and Investigating, Mary Forbes; Conservation, Karl Isenbauer; Ritual, Everett Jones; Civic Affairs and Publicity, Chuck Stoddard; Sports and Entertainment, Geo. Gingerick. Appointed Sgt. at Arms was Ray Carriek; Club Mgr. is Bill Fitzgerald.

Anyone interested in working on these committees, contact the chairman or Governor. This Sunday and Tuesday we need help for a Civic Affairs project, and also need help on Sundays at the club.

This Saturday, May 27, there will be a "What-Not" lunch served at the Lodge basement at 6:30 for members and their spouses only. There is no charge. At 8 p. m. the same evening there will be an enrollment at the Lodge. Degree work will be done by our own degree team.

Sunday, May 28, the degree team travels to Garden City for degree work there at 2:30 p. m.

We will have live music at the club every Saturday evening.

Have you seen the new prizes to be given away in the new membership campaign? The new campaign starts this Sunday. Details available at the club.

At least two of the newly elected officers attended the Officers School at Saginaw, this past weekend sponsored by Mooseheart.

Have you checked your dues receipt lately? It's to your advantage, not to let it lapse, but more important to your children.

The Bill Fitzgeralds are planning a trip to Mooseheart this weekend.

May Is Senior Academy Time at Camp AuSable

The month of May has been Academy Senior time at Camp AuSable. Three groups of graduates have come. They are from Adelpian academy, Cedar Lake academy, and Grand Lodge academy. The largest group was from Adelpian in Holly, Michigan.

Each class chose to take a canoe trip down the Ausable River. A week ago Sunday the group brought a speed boat and opened the water skiing season on the lake and went swimming.

A special trip was arranged for the Adelpian seniors. The group of 84 including their sponsors used Monday for a trip to Mackinac Island. Even though many of the facilities were not open yet they enjoyed bicycling around the island, visiting the old fort and doing some shopping. Two of the ladies chose to walk the eight miles around the island.

Wednesday of this week the faculty of Cedar Lake Academy had their annual day off and used the camp facilities. Activities included canoeing, boating, and hiking.

Nature study is excellent. On a hike it is possible to see deer, porcupine and raccoon. The summer birds are returning and making their nests.

The next weekend group will be the Pathfinder Club from Grand Haven and Wright. This will be the final week end junior group until July when the regular camps during the week begin.

In June the camp is scheduled to be used by church families from Holland, Livonia, Flint and Lansing. A ministers club from Detroit will also be here.

Road Commissioners Minutes

May 5, 1967

A regular meeting of the Board of Crawford County Road Commissioners held in their office in Grayling. Meeting called to order by Chairman Mead. Members present, Commissioners Howard H. Mead, Harold T. Johnson and R. E. Shook, Engineer-Manager John M. Keir, and Superintendent Norman H. Feldhauser. Absent, none.

The minutes of the last regular and special meetings were read. A motion was made by Comm. Johnson, supported by Comm. Shook that the minutes be accepted as read. All voted in favor, motion carried.

Mr. Porter Royce, South Branch Township, appeared before the Board relative to opening a road for public use in that Township.

An application was received from General Telephone Company for permit to bury cable along Lovells and Big Creek Lodge roads. A motion was made by Comm. Shook, supported by Comm. Johnson that the permit be granted. All voted in favor, motion carried.

A general discussion ensued covering present and future construction and maintenance, including the new Chase Bridge, continuance of the Manistee River Road and treatment of the county road that runs through Camp Grayling.

The Commissioners and Engineer-Manager Keir made a trip of inspection over various roads and specific project sites in the County. Upon returning to their office, a motion was made and supported to adjourn. All voted in favor, motion carried, meeting adjourned.

SUMMER RESIDENT'S MARRIAGE ANNOUNCED

Miss Marjorie R. Mohlenhoff became the bride of W. O. Hildebrand Saturday (May 13) at Grace Lutheran Church (Lansing). For the 1 p.m. ceremony, the bride, daughter of Mrs. John Henry Mohlenhoff of Andrew, Iowa, and the late Mr. Mohlenhoff, wore a dress of frosted green silk and wool and carried a white bouquet of lilies of the valley, stephanotis, and roses.

Mrs. John A. Rohlf of Huntingdon Valley, Pennsylvania, and Miss Bernice Mohlenhoff of New York City, sisters of the bride, served as her attendants. Their dresses were in shades of mauve.

Mr. Hildebrand's son, Kenneth W. of East Lansing, and his brother, Willard H. of Dayton, Ohio, served as attendants to the groom.

Following the ceremony, a reception and luncheon was held at the City Club of Lansing.

Former Resident's Son Named State Farmer

Gary Corwin of Clinton was presented with the degree of State Farmer at the 39th annual Future Farmers of America eight-state convention held recently at Michigan State University, East Lansing. Gary is the son of Donald Corwin, who is a graduate of Grayling High School and was once a resident of the southwest corner of Grayling Township, and grandson of the late Charles Corwin. Gary also received the silver award for being an outstanding State Farmer. Thirty-five other boys received the award, and twenty boys received a gold award. Over 900 high school students throughout the state competed for honors and conducted the business of the State Association.

Mrs. Charles Corwin Sr. received the above information in a news clipping from her stepson.

129 Separate Businesses Operating In Crawford County Survey Shows

(Special to the Avalanche)

NEW YORK — For its size, Crawford County has a large number of business establishments. There are more of them in operation—small, medium and large—than in many localities of comparable population.

The fact and figures on the local business community are brought out in a new Federal study called "County Business Patterns," prepared by the Census Bureau with the cooperation of the Social Security Administration.

In addition to data on the business population, it lists taxable payrolls, number of employees and other pertinent items.

In Crawford County, it is shown, there are a total of 129 separate businesses in operation.

A breakdown of this total reveals that 79 of these establishments have from 1 to 3 employees each, that 26 of them have from 4 to 7 employees and that 16 have from 8 to 19. The rest are larger.

The solidity of the local economy is indicated by the number of these business concerns that are of long standing, by the growth in employment and by the rise in payrolls.

This is brought out in reports filed during the past year by employers, under social security program, listing payrolls for the previous year.

The total, in Crawford County, reached a new peak of \$3,824,000. It represented a rise of 84.2 percent since 1959, when a similar type report was released.

Throughout the United States, in the same period, the increase was 37.3 per cent and, in the State of Michigan, 42.8 per cent.

The figures take into account all workers who received wages or salaries from private, non-farm employment covered by social security. The number of persons so employed in the local area is given as 1,029.

Although there is no dearth of medium and larger-size firms in the county, the smaller ones far outnumber them, as is the case in all parts of the country. They continue to thrive despite the competition of big business.

The number of enterprises employing fewer than 20 persons amounts to 94 per cent of the total.

Nationally, new businesses are springing up and older ones discontinuing all the time. The births have been exceeding the deaths by a wide margin, however, in the last few years.

Letters To The Editor

WOULDN'T IT BE NICE

In connection with the Clean-up, Fix-up and Paint-up Campaign, IF: The City would shovel and sweep off the crosswalks, now covered with sand and gravel?

Straighten up their Traffic Signs, many of which are bent over, or twisted?

Paint (or wash) some of the Traffic Signs which need it badly?

Correct directions on Street Intersection Signs, and anchor signs in concrete, so they will remain corrected?

AND IF:

Citizens would not only rake their own yards, but also the area outside their yard between the road and the sidewalk. Most of these areas look very bad, and make a poor impression.

Pick up tin cans, bottles and paper at road and street edges, from time to time, to help keep the city neat and clean?

People hauling rubbish, papers, etc. to the dump would COVER their loads so it doesn't get lost on the city's streets? We believe there is a City Ordinance to that effect, which is neither being observed or enforced.

Citizens, having children, would see that their bicycles, wagons, and other toys are OFF the sidewalks so that those walking do not fall over them?

After They See Parce

By Willard Bosserman

Considerable effort has gone into attracting industry to this area to enhance the economic well being of the community. Another reason for the effort was to provide job opportunities for our people, especially our young people who so often left for the city after graduation from high school.

It seems that job opportunities are not enough to "keep 'em down on the farm." The lure of the bright lights and the excitement of the big city still seem to have an attraction for young people.

Recently I have learned of four local job opportunities with training for advancement, which can be filled by boys after graduation in June. So far only one has applied. Many reasons are involved for not inquiring about the job. The draft status is no small concern. Many have college as their goal. I wonder, though, how many are lured away by the city life where the pay scale may be a little higher? Perhaps it takes a few years of city congestion to appreciate living in Michigan Vacation Land. Over the years we have done a pretty good job of selling northern Michigan to townships, but we have not reached our own young people.

A number of ladies dropped in for coffee at the home of Mrs. Ralph Millikin Tuesday evening of the week in celebration of her birthday.

Mr. and Mrs. George C. Brown spent Mother's Day weekend visiting their daughter Mrs. Joseph Walsh and family in Caseville and on Sunday attended the first communion of their grand-son Joey at St. Roch's Catholic Church.

Mr. and Mrs. Everett Jones spent their daughter Mrs. Joseph Walsh and family in Caseville and on Sunday attended the first communion of their grand-son Joey at St. Roch's Catholic Church.

Mr. and Mrs. Dan Babbitt have sold their home of 44 years, off Whirlpool Road, to Mr. and Mrs. Walter J. Labiak of Lansing. Mr. Labiak is with the sales department of Oldsmobile, and an old-time fisherman on the AuSable. They plan to make the former Babbitt home their summer residence. Mr. and Mrs. Babbitt operated a general resort for fishermen, hunters, vacationers and convalescents during the 44 years they have lived here. Some time ago they purchased property in Lake Wales, Florida, which will be home for them when they return to it late this summer. They expect to be at their home for a time and in the county until then.

Mr. and Mrs. Frank Bond arrived home May 10th after wintering in Florida. They left the south around May 1st and visited relatives on their way home.
